Dear Beloved Church,

As we step into the month of August, I invite you to pause and consider the significance of Sabbath. While our practice as United Methodists centers around Sunday worship, let us explore the broader concept of Sabbath—a day of rest, reflection, and renewal.

## The Seventh Day

“Sabbath” originates from the Hebrew word “Shabbat,” meaning “seventh.” For both Jewish and Christian traditions, this day holds special meaning. For observant Jews, Sabbath falls on Saturday—the seventh day of the week. It commemorates God’s rest after creating the world. In contrast, early Christians shifted their day of worship to Sunday—the day of Jesus’ resurrection and new creation.

## Worship and Rest

Our United Methodist tradition emphasizes worship on the Lord’s Day (Sunday). We gather as a community to honor the resurrection of Jesus, seeking spiritual nourishment and connection. But Sabbath extends beyond Sunday services. Let’s explore three aspects:

- 1. Worship:** Just as Jewish people gather for Sabbath, we commit to regular worship. Our membership vows emphasize “prayers” and “presence.” Gathering together strengthens our faith and bonds us as a family.
- 2. Trust:** God’s example of resting after creation teaches us trust. When we pause from work, we affirm our reliance on God’s provision. Trusting in God, others, and the value of our labor enriches our lives.

**Rest:** Rest isn’t mere idleness; it’s recentering. Whether through prayer, meditation, or quiet moments, Sabbath rest rejuvenates our minds, bodies, and souls.

## Practical Steps

As we navigate August, consider these practical steps:

- Set Aside Time:** Dedicate intentional moments for Sabbath. Whether it’s a quiet morning walk or an evening with loved ones, prioritize rest.
- Disconnect:** Unplug from screens and distractions. Let Sabbath be a sanctuary from the noise of daily life.

**Reflect:** Use this time to reflect on God’s goodness, your journey, and the needs of our community. Remember, Sabbath isn’t legalistic; it’s a gift—a rhythm that sustains us.

As your pastor, I too need to be intentional in honoring the Sabbath where I can rejuvenate and renew my Spirit so that I can better serve you. With that reason, I have requested to take 3 weeks off this month and your administrative board agreed to allow me this time. I ask that you keep me in prayer while I am away from you and that you continue to remember how loved you all are.

May this August be a month of intentional rest, drawing us closer to God and one another.

Thank you all for your continued support.

Blessings, Pastor Toby

As we reflect on the abundance of blessings bestowed upon our church during the month of July, we are reminded of the first line of the doxology we sing every week: "Praise God from whom all blessings flow". And boy, did the blessings flow bountifully!!

Our monthly Meet and Eat free meal earlier in the month broke an attendance record as everyone gathered for a wonderful picnic. We saw new faces, old friends, broke bread together, and felt God's presence. This event truly highlighted the unity of our church family as we joyously shared our abundance and love with our community neighbors.

Earlier in the month we were blessed with the opportunity to honor and recognize two high school seniors and one adult who made the decision to further her education and change her career. This is the first time in four years we have had the amazing opportunity to honor graduates and give scholarships. Taylor Bachman graduated from South Central High School this past spring and has chosen Purdue University in Lafayette as the school where she will work to achieve a degree in Veterinary Science. At the LaPorte County fair this year, you could find Taylor on the demolition derby track for her first race ever -- and she placed 5<sup>th</sup> in her division and was the only girl driving – proving that she meets challenges head on!!

Logan Salyer graduated from LaPorte High school and will be attending Boston School in LaPorte to expand his life and employments skills. Logan has a dream to own his own burger joint some day – and to have his family work for HIM!

Amanda Kelly has already begun her new adventure by attending Ivy Tech in order to add an elementary teaching certificate to the degree she already has. Amanda is currently a kindergarten aide at South Central and hopes to have her own classroom of students in the very near future. Amanda has been a part of our church since she was a young child and is director of our youth outreach and our education programs. If there are kids involved, you can be sure that Amanda has played key role in making that event a huge success! Teaching is so obviously the calling God has placed on her life and we couldn't be more proud of her for answering this call. We praise each of these young people for their hard work and dedication. Their commitment to furthering their education is inspiring, and we pray for their continued success and growth in all of their endeavors.

Our church family has grown this past month with the recent intake of several new members. We extend a warm welcome to Jon and Alyssa Emery, Ramey, Shantrece, and Logan Salyer, and Rita White. We look forward to the new perspectives and gifts they bring to our community. Our prayer is that they may continue to find fellowship, spiritual growth, and joy within our congregation. Cont...

The blessings didn't stop with just membership. Shantrece and Logan Salyer also chose to deepen their commitment by being baptized, marking the beginning of new lives in Christ. We celebrate and rejoice with them as they embark on this spiritual journey knowing that they are surrounded by the love and support of a church that cares deeply for them.

Our Vacation Bible School program was blessed with an abundance of 28 children this year as they learned all about God's love for them. This, too, was a record year! The kids enjoyed music, a bounce house, saw lots of dinosaurs, made crafts, had snacks, lunch, and dinner, and played the ever- popular water games. It was a joy to witness their enthusiasm and eagerness to learn about God's love. We are grateful for the volunteers who dedicated their time and energy to making VBS a memorable and impactful experience for all the kids! As these volunteers made their way home that evening and rested their weary bones and went to bed earlier than usual, they knew they had made a difference in a lot of little lives. They also knew they were following Jesus' lead in bringing the children to Him. No greater blessing than this!

Last, but not least, we are so immensely thankful for the amazing donations of headphones made possible by the generosity of our congregation. With Amanda's help, our church partnered with the American Legion to make sure that children heading back to school will be well -equipped to succeed in their studies. We were challenged to provide 50 headphones! As is the usual M/O of our giving congregation, we once again exceeded the challenge!!! These acts of kindness reflect the true spirit of giving and the loving nature that defines this small family of believers who put their entire hearts in showing our community and neighbors how much we care about them! God's love is endless and we never stop in our endeavors to become more like Him! Let us continue to celebrate and give thanks for these many blessings, confident that the Lord's grace and goodness will continue to guide us through each and every season. We may be small, and we may be tired, but we eagerly await to see where God leads us in August knowing He will provide the means, the energy, and the blessings. Thanks be to GOD!!!!

"There's a blessing in every moment."

Share your blessing with Jan Buchanan or Kathie Long for the next edition of the Word!!
